# IT PROFESSIONAL

If having a high level of IT competence is critical to your role then this is the programme for you. From IT focussed managers to help desk professionals your programme has over 100 different modules to choose from.

As part of your programme, we will:

- Create you a tailored and individual learning plan
- Provide one-to-one mentoring from a dedicated member of the Bragd team
- Offer a blended learning approach which can include virtual or face-to-face workshops, guided learning and 24/7 access to our e-portfolio system
- Use trainers and assessors who are from the real world. They've been there, done that and got the t-shirt.

## LEVEL 3

Directed learning, 1-2-1 virtual sessions and on-the-job tasks and activities develop real world skills - all supported by our IT and tech' mentors.

## 12 MONTHS

This qualification usually takes around 12 months to complete including certification by City & Guilds.

## 12 MODULES

Twelve knowledge and performance modules specifically selected to meet each individual candidates needs and wants ensuring a fit-for- purpose programme for everyone.

## The Art of Apprenticeships

This apprenticeship is ideal for those working in the IT industry but also for those who don't work in the IT sector, but need a high level of understanding and practical IT capability to do their job well.

You will also achieve your IT Professional Level 3 certification.

## MORE INFORMATION

This programme will develop the knowledge skills and confidence needed to take onboard and effectively handle a wide range of IT based activities.

## YOU WILL COMPLETE

1. Twelve bite-sized modules teaching theory and practical applications through a combination of online learning and virtual or practical classroom workshops.
2. A work-focused project to give you the chance to apply what you have learnt straight into your real work context - with full support from our team of course
3. A portfolio showcasing how you've implemented and demonstrated the skills you've learnt in real work projects
4. Activities specially designed to achieve the three essential skills needed to acquire funding in Wales.

These essential skills are communication, application of numbers and digital literacy.
